

2026 HRA Rodeo Committee Guide & Check List

Heartland Rodeo is a family friendly rodeo association geared at inspiring the next generation of rodeo athletes, and gives older competitors a place to play, learn, and grow! There is room for every level of competitor within the association.

The association's core values are to bring great rodeo entertainment to your town and help support your event to the fullest. Currently our rules only allow 1 rodeo per weekend to help maximize rodeo entry to your event and make your weekend the best it can be financially.
